

Robot Joint

YAMAHA Robot Compatible

- Light weight and compact
- New designing is not required
- Quickly connect 5 types of actuators
 - Flat type air hand
 - 3 finger hand
 - Electric hand
 - Compliance light
 - Auto hand changer

Robot Joint

YAMAHA Robot Compatible

- Specialized connectors (robot joints) are available for mounting 5 series of Koganei actuators to YAMAHA SCARA robots.
- Man-hours can be greatly reduced from equipment setup by mounting robot joints to YAMAHA robots.

Handling instructions and precautions

Installation procedure

1. SCARA robot (model : KRJS- □)

- ① Install the end effector and adapter plate.
If not included, the adapter plate is not required.
- ② Install the adapter plate (or end effector if the model does not include an adapter plate) and robot joint.
- ③ Insert the robot joint into the shaft, until the end.
- ④ We recommend the following procedure if the D-cut in the shaft is used for positioning.
The screw used in the tapped hole for positioning must be prepared by the customer.
【Recommended procedure when using tapped hole for positioning】
 - (1) Temporarily screw in the positioning screw, and then decide the position of the robot joint.
 - (2) Temporarily tighten the shaft clamp bolt to secure the robot joint.
 - (3) Remove the temporarily tightened positioning screw.
- ⑤ Tighten the shaft clamp bolt.
- ⑥ If the model has 2 shaft clamp bolts, alternately tighten them 3 times or more by the specified tightening torque.

Caution

If you cannot insert the shaft because the shaft hole in the robot joint is too narrow, then put a plate (a washer or flathead screwdriver can also be used) into the slit, then tighten a bolt (a fastening screw is also possible) into the threaded hole, so the shaft hole widens and the shaft can be inserted. After insertion is complete, remove the bolt and plate.

Handling instructions and precautions

Retaining force

● Robot Joint for SCARA robots

Shaft diameter (mm [in.])	Retaining force F (N)	Retaining torque T (N·m [in.lbf])
16 [0.630]	1400 [314.7]	14 [123.9]
20 [0.787]	3300 [741.9]	32 [283.2]
25 [0.984]	3600 [809.4]	46 [407.1]

Material

Name of part	Material
Robot Joint	Aluminum alloy (alumite treatment)
Adapter plate	Aluminum alloy (alumite treatment)
Bolt	Stainless steel
Parallel pin	Stainless steel

Tightening torque

Screw size	Tightening torque (N·m [in.lbf])
M2.5	0.36 [3.186]
M3	0.63 [5.576]
M4	1.5 [13.277]
M5	3 [26.553]
M6	5.2 [46.025]

Caution

If there is a risk of bolts loosening due to shocks or vibrations, consider taking measures to prevent them from loosening.

Note 1: The F7 tolerance before machining of the slit. After machining of the slit, F7 may be inaccurate.

2: In the drawings, the (★) bolts and pins are accessories.

3: The product weight includes the weight of the bolts and parallel pins that are accessories.

4: The end effectors are not included with these products. They must be ordered separately.

Limited Warranty

KOGANEI CORP. warrants its products to be free from defects in material and workmanship subject to the following provisions.

Warranty Period The warranty period is 180 days from the date of delivery.

Koganei Responsibility If a defect in material or workmanship is found during the warranty period, KOGANEI CORP. will replace any part proved defective under normal use free of charge and will provide the service necessary to replace such a part.

Limitations ● This warranty is in lieu of all other warranties, expressed or implied, and is limited to the original cost of the product and shall not include any transportation fee, the cost of installation or any liability for direct, indirect or consequential damage or delay resulting from the defects.

● KOGANEI CORP. shall in no way be liable or responsible for injuries or damage to persons or property arising out of the use or operation of the manufacturer's product.

● This warranty shall be void if the engineered safety devices are removed, made inoperative or not periodically checked for proper functioning.

● Any operation beyond the rated capacity, any improper use or application, or any improper installation of the product, or any substitution upon it with parts not furnished or approved by KOGANEI CORP., shall void this warranty.

● This warranty covers only such items supplied by KOGANEI CORP. The products of other manufacturers are covered only by such warranties made by those original manufacturers, even though such items may have been included as the components.

The specifications are subject to change without notice.
